

VILLAGE OF NEW BERLIN CD LOAN APPLICATION

This application must be completed in full by the property owner/borrower to be deemed acceptable. Information regarding a “co-borrower” is not mandatory, but in cases where dual income applies (spouses, partners, shared household expenses, etc.) it may be advantageous to you to give the Loan Committee a better basis upon which to determine overall financial viability. Please print all information and attach additional required worksheets, building permits, contractor estimates, credit reports, etc., as necessary. The Village of New Berlin will place high priority on protecting your personal and financial information while protecting your privacy. The information will be made accessible only to those loan officials who require it to review your file in order to serve your needs and complete the loan process.
